Selection criteria

The PHA 2022 planning committee will review and rank proposals based on:

- Does the presentation fit the track and topic selected?
- Is the topic relevant to the community?
- Are the solutions presented new or innovative?
- Can the solutions presented be easily duplicated or implemented by the community?

Proposals are due Jan. 4, 2022. [Submit a proposal](#).

The committee will email those selected to speak in February 2022. PHA will announce the speaker lineup in February when online registration opens.

What You Need to Know Before Submit a Proposal

Before you start

Make sure you have a 200-word bio and photo of yourself to submit with the online proposal form. Your photo must be at least 500 KB and in a JPEG or TIFF format.

Draft a 500-word (2,500 characters) proposal that addresses:

- Why your topic is important to the PH community.
- What expertise or life experience qualifies you to speak on this topic.
- Key points you plan to cover in your presentation.

If you plan to attach supporting tables, graphics or pictures, save them in one document. You can submit up to two images in the document. The document should be 10MB or smaller. The document name must include the proposal ID number (see the left of the screen).

Modifications and/or Larger Works may require additional patent licenses granted by a third party patent license shall not apply to (i) any other Recipient.

How to apply

Fill in the form with your name, contact information, address and bio.
Indicate whether you are a bilingual (English and Spanish) presenter.

If you would like to present with another speaker, complete the co-presenter information in the next section.

Click “save” to continue to the next screen.

If you were invited to present, fill in the name and contact information of the person who invited you.

Mark your connection to the PH community by checking caregiver, family/friend, healthcare professional, patient or other.

Check the category or categories that best describe your presentation.

Disclose potential conflicts of interest.* Your disclosure won’t necessarily disqualify you from presenting, but you must acknowledge current, past or future work for commercial entities with an interest in the PH community.

Validate your submission to ensure that you have filled out all required fields.

Click “submit.” You will receive an email confirming receipt.

*PHA is committed to providing balance, independence, objectivity and scientific rigor in all educational activities. Therefore, we require everyone with the potential to affect the content of an educational activity to disclose relevant financial or non-financial interests or other relationships with commercial interests for a period of one calendar year prior to the start of the educational activity. That includes members of the speaker’s immediate family and partners.

A commercial interest is any entity researching, developing, manufacturing, marketing, re-selling or distributing healthcare therapies, goods or services consumed by or used on patients. Relevant financial interest or other relationship can include grants or research support or being an employee, consultant, major stockholder, speaker’s bureau member, advisory board member, clinical trial participant, etc.
