Subject line: Thank you: Follow up to our meeting

Dear Senator/Representative _____,

It was a pleasure to meet with you on (day of meeting). I appreciate you taking so much time out of your busy schedule to talk with me.

As I mentioned, pulmonary hypertension is a chronic, incurable lung disease. Countless people may have pulmonary hypertension and not know it due to improper diagnosis. Though there is no cure for pulmonary hypertension, with increasing research and new treatments, there is hope.

That is why the Pulmonary Hypertension Research and Diagnosis Act is so important. It provides a budget-neutral solution to the challenge of improving health outcomes for those living with pulmonary hypertension.

I urge you to show your support of the Pulmonary Hypertension Research and Diagnosis Act by co-sponsoring it.

Your support is appreciated.

Sincerely,
